

## Mobile Order MFi Software Information

### Introduction:

In order to authorize Apple to approve a Mobile Order, Optoelectronics Ltd., Japan (the “vendor”) needs to add this Mobile Order application to the Vendors product plan. Likewise, Optoelectronics must refer to the Vendors product plan when submitting Mobile Order with MFi features to the AppStore.

When the client’s application is submitted to Apple, the customer must reference the Vendors Product Plan:

- **NNNNNN-NNNN** for the <Apple Product Plan Name>

### Step 1: Complete client contact information.

Client Contact Information
